Resolution No. 2735/46.
Bombay Castle, 13th July 1948.

NOTE

Owing to the exigencies of the situation some of the State servants who have been taken over by Government owing to the merger of the States are being transferred from one State area to another State area or to another place in the District with which the State area has merged. Government is pleased to direct that in such cases of transfers the State servants concerned should be allowed to draw their pay in the corresponding scales of pay attached to the cadre or service in Districts to which they now belong or in which the State areas concerned have been integrated. In case, however, the pay to which a State servant is thus entitled is higher than the pay he was drawing in State area, the pay should be fixed at the minimum of the said scale of pay.
